

NUTRACEUTICALS

Biote Nutraceuticals have been carefully formulated to support bioidentical hormone replacement therapy (BHRT), promote healthy aging, and enhance overall wellness. Backed by more than 80 years of science and medical data, these clinical-grade products have been selected for superior bioavailability and can help ensure a complete and personalized approach to meet your health goals.

BIOTE ADK

Essential Vitamins A, D3, & K2

Maintains
Vitamin D Levels[†]

Promotes Strong
Bones[†]

Supports the
Immune System[†]

ADK delivers highly bioavailable forms of three essential vitamins, A, D3, and K2. The ingredients in ADK work together to promote absorption and use inside the body. The result is a potent supplement that supports a variety of functions that help promote bone, heart, and immune health.

This supplement is available in two targeted formulas to help address vitamin D deficiency. ADK 5 contains 5,000 IU (125 mcg) of vitamin D3 per capsule, and ADK 10 contains 10,000 IU (250 mcg) of vitamin D3 per capsule. Work with your trusted Biote provider to identify which is right for you based on your current vitamin levels and nutritional needs.
